Videographer/Field Research

ActionSpeak (Freelance, 2010-present)

Shooting video and recording sound in field situations (private homes, facilities) utilizing natural and practical lighting. Establishing rapport with and interviewing respondents prior to debriefing.

Digesting video diaries, collecting and analyzing information for insight generation.

Filmmaker

(Freelance, 2005-present)

Writing, shooting, and editing in a variety of styles for a wide range of clients. Experience directing non-professional subjects, re-writing on location to suit the strengths of the situation.

Comfortable managing a small crew as well as operating DSLR/camcorder and sound equipment as a single shooter.

Equipment

Canon DSLR's, Sony NX5U, Sennheiser microphones, Glidecam 2000

Education

Fordham University-B.A. English
